

PROJECT HOFFNUNG is humbled to announce the launch of the first Photography Book written by members of the community

We've seen many TV shows, books and articles written about the Amish by outsiders. As a result of that and after 20 years of being blessed to work with communities across the state, we wanted to help give the community a voice in sharing your everyday lives. PROJECT HOFFNUNG team members have spent almost four years in working with Amish and Mennonite communities around Ohio in publishing a coffee table photo book that is a collection of 50 photos chosen by the community that include personal stories of daily life. We're excited to finally be able to share the front cover (with the inside flap) of the book with you. 100% of the proceeds of the book sales go directly back to support the activities of Project Hoffnung. There's never been a more important time to support this project.

You can help us with our fundraiser by pre-ordering your photo book now!

**Expected ship date is January 15, 2019.**

We can send you a gift certificate if you would like to share for a Christmas gift.
